

STEM ON THE HILL™ 2018 OVERVIEW

Thanks to the thousands of members of America's Scientific & Engineering societies, universities, STEM students, business owners and STEM workers, companies and other institutions who made **STEM on the Hill™** — our **Congressional Visits Day 2018** — a great success! Judging from the numbers of attenders this year and your feedback, it was our most successful STEM on the Hill™ event ever.

As many of you are aware, we blew through the meal guarantees for both the Awards Reception and Exhibit and the Breakfast. Our final numbers are these in case you need them for press releases or captioning for other articles:

1,442	Number of Visits to Capitol Hill & District Offices conducted
140	Orientation Session Attenders
17	Exhibitors Only
8	Exhibitor / Participating Organizations
274	Exhibit and Awards Exhibit Attenders
27	Congressional Visits Day Participating Organizations & Exhibitors
265	Number of Persons Making Visits
50	States Visited + District of Columbia

Red States = visits conducted
