

# STEM on the Hill™ 2019 Acknowledgements

**Thank you!** The following organizations and individuals, listed in alphabetical order by entity, have helped organize this year's **Congressional Visits Day 2019 STEM on the Hill™** Events or are participating in our "Keeping America's Promise Through Science, Engineering & STEM Funding" Exhibit. They are with the **Science-Engineering-Technology Working Group (SETWG)**. We also provide ongoing connections through our social media outreach with through **#setcvd**, **#stem** & **#stemed** See our coalition's home page at [www.setcvd.org](http://www.setcvd.org) This year's **Exhibits Guide & Directory** lists **SETWG participating organizations and Exhibitors**. A full list of 2019 organizations and exhibitors is at the end of this *Guide*. For more information about SETWG, to track policy developments over the year, or to obtain a fuller digital version of this *Guide* please visit [www.setcvd.org](http://www.setcvd.org) or [www.usinnovation.org](http://www.usinnovation.org) **STEM on the Hill CVD 2019** is managed by **ASTRA and IEEE-USA**
